

Google Reader may be an option for you if you want to receive more than one RSS feed or blog updates. Google Reader keeps all your news feeds and blogs in one spot and can be added to a personalized iGoogle page if you choose.

1. From the Google Reader Homepage: (located at: <http://www.Google.com/reader>), click the Create an account button. You need only to provide an email address and create a password to use Google Reader.

Get all your news and blogs in one place with Google Reader

With Google Reader, keeping up with your favorite websites is as easy as checking your email.

Stay up to date
Google Reader constantly checks your favorite news sites and blogs for new content.

Share with your friends
Use Google Reader's built-in public page to easily share interesting items with your friends and family.

Use it anywhere, for free
Google Reader is totally free and works in most modern browsers, without any software to install.

2. Click the **Add subscription** link located on the left:

- Copy the link information below (select the link and choose Copy from the Edit menu), click inside the white box, select the 'http://' that appears and choose Paste from the Edit menu (<http://feeds.feedburner.com/AnnArborAreaBoardOfRealtors-NewsFeed>). Finally, click the “ADD” button.

Follow the above steps for any additional feeds you'd like to add. The RSS feed for AAABoR's Events is: <http://feeds.feedburner.com/AnnArborAreaBoardOfRealtors-EventsFeed>.

Congratulations! Now, you may simply click on the feed link located on the left side to read the news.

Google Reader can also now be added to a personalized iGoogle page (see the iGoogle instructions).
