

Lenawee County Association of REALTORS®

The Lenawee MLS is now an independent system. For the ease of our members who would like to access the Lenawee MLS, they have issued one "blanket" login/password that will work for all of AAABoR members.

AAABoR will email the login/password to the address on file. The login/password will change every month and we will notify you of the change by email, when we receive it from Lenawee.
