8:50 AM [Welcome and Introduction](#)

Lu Parsons, Women's Council of Realtors, President
Craig Holden, US Inspect

9:00 AM - 11:35 AM [Legal Update 2008 - Foreclosures](#)

This class provides the annual state required "Legal Update" credits. Learn from Washtenaw Counties top real estate attorney what the current foreclose market has to offer. Prevent being caught in the middle. Nancy Burger, will provide you with what you need to know to reduce your risk of being a Real Estate Agent. This is an excellent risk management presentation and a must for all agents.

3 Continuing Education Credits (K5210)

11:35 AM - 12:40 PM [Lunch On Your Own](#)

12:40 PM - 2:20 PM [The Green Home](#)

An explosion in "green" homebuilding is in the immediate future. Learn how to talk and market "green". Craig Holden, Michigan Manager of U.S. Inspect will provide you with the most current state of the market and show you how to survive in a "green" real estate world. U.S. Inspect is the largest home inspection company in North America and brings a national as well as a local perspective to this topic.

2 Continuing Education Credits (K1095)

2:30 PM - 3:20 PM [Mold - Risk Management](#)

We've all heard of problems with mold. Hear about the latest in mold mitigation and how it will affect your home sales. Each year mold cleanups cost thousands of dollars.. Learn what to tell your customer if mold is found in a home. Gordon Glidden from US Inspect will show you the most effective ways to reduce the risk of doing business when mold is involved in your transaction.
